Why has Sweden awakened

?

COUNCIL RECOMMENDATION
of 20 December 2012
on the validation of non-formal and informal learning
2012/C 398/01

^[L]_[SEP] have in place, no later than 2018, in accordance with national circumstances and specificities, and as they deem appropriate, arrangements for the validation of non-formal and informal learning

Why has Sweden awakened

?

- 27% of students don't finish upper secondary school within stipulated 4 years
- 17% of students don't complete the requirements from lower secondary school
- Mismatch on the labour market
- More than **200 000 migrants** seeking asylum in Sweden from 2015 til 2017

Only 2 % of low skilled migrants are in education or training...

Unemployment rate for citizens born in Sweden is 3,7 %...

Unemployment rate for citizens born in other countries is 23 %...

The formal school can't fix it all!

Why do study associations work with
validation?

Studieförbunden have a model for validation of generic competences

Generic competences:

- Also called general competences, key competences, basic competences, soft skills
- Are competences you need to be included at a workplace, on the labour market and in society, regardless of what kind of organization, profession or line of work

Generic competences - examples

about 60 different modules

- Knowledge on social interaction, attitudes, cooperation, decision making processes, leadership
- Understanding of unwritten rules at a workplace, modes of conduct, difference between professional/personal/private
- Skills in communicating with different people
