

RPL ASSIST Assessment Tools and Procedures: Giving people the recognition they deserve

Overview

Making VPL easier

- ✓ A supportive process
- ✓ Minimisation of paperwork
- ✓ The process to be interview and observation driven
- ✓ Empowerment
- ✓ Generation of evidence through the process
- ✓ Industry approved
- ✓ National Regulator approved

Innovation

Before the use of our VPL Tools the process of gaining recognition was burdensome

Sustainability

RPL Assist VPL Tools have been used across Australia since 2010 and assisted many thousands of people in that time.

Scale

200 Riggers and Scaffolders gained recognition over a two year period

Transferability

The VPL Tools and Process have been utilised across many industries and occupations in Australia
