Surgical Technology

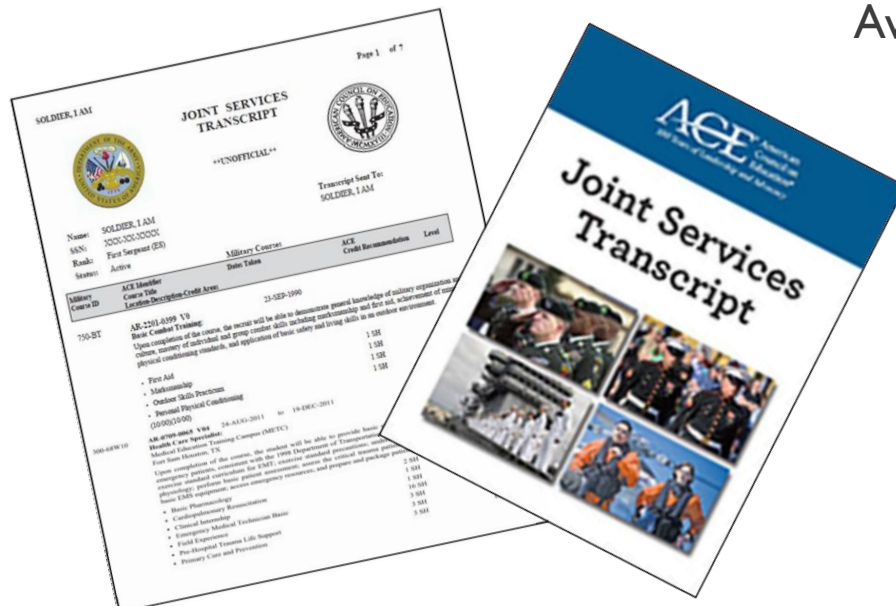

ACE PRODUCTS

■ Web-based lookup

- ACE Military Guide
- Free resources
- Extensive database

Available at www.acenet.edu/militaryguide

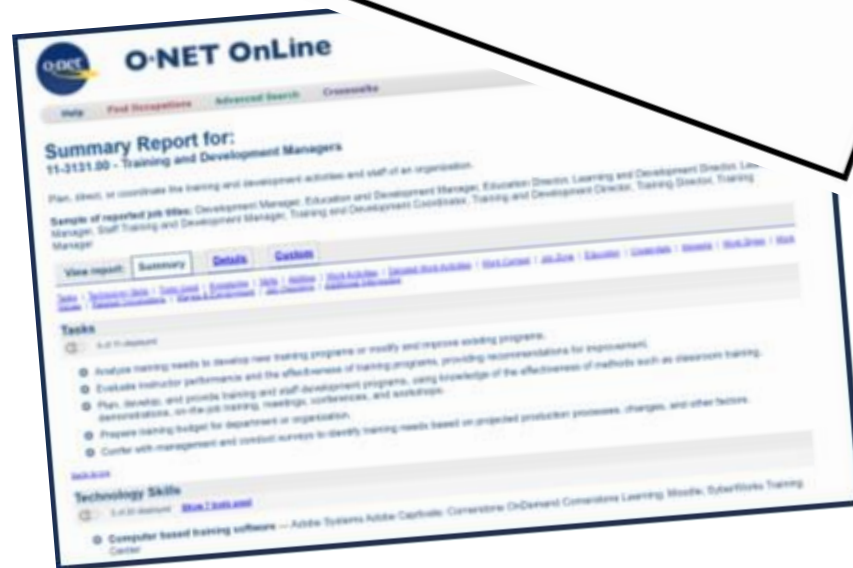

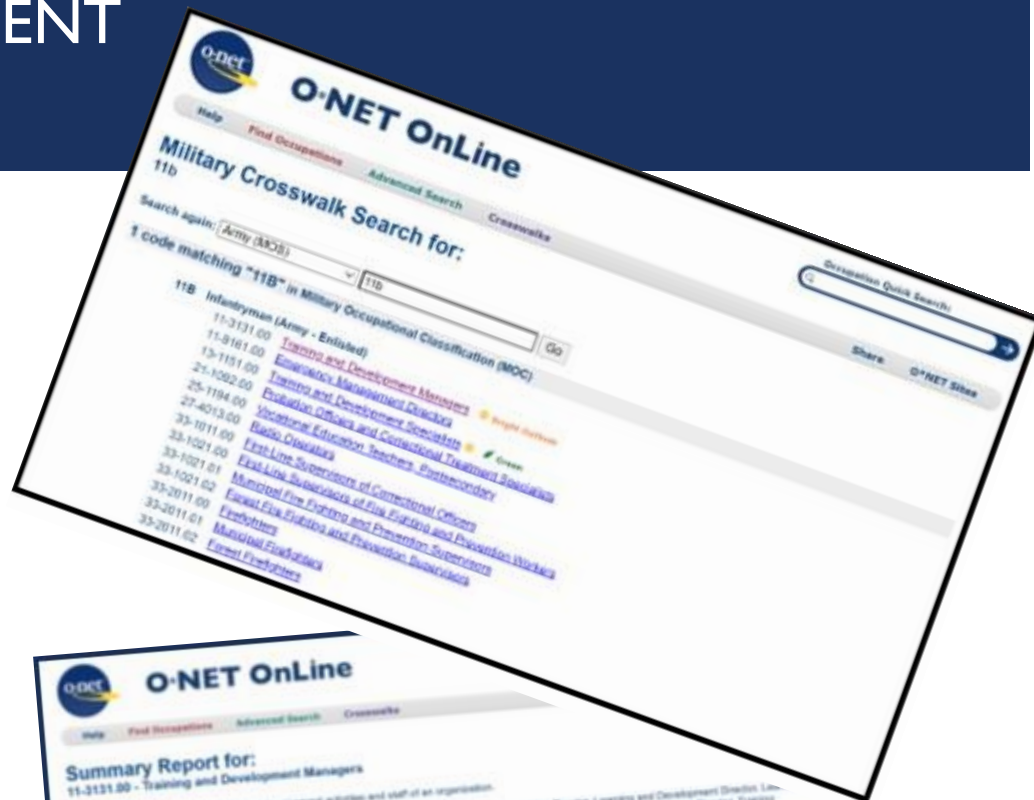

Transcript-based

- Joint Services Transcript (JST)
- Shareable with colleges
- Official personal record of learning

RELATED TO EMPLOYMENT

JST and ONet

- Linkage to civilian employment
- Addresses skills in civilian language
- Expands scope of employment opportunities

WHY THIS IS IMPORTANT TO THE VPL COMMUNITY

International use of U.S. military training

- Potential to leverage ACE credit recommendations internationally
- Opportunity to capitalize in high-need civilian workforce
- Untapped adult learner credit

Establish dialogue around global use of military learning

- How does your country recognize military learning?
- How do we share/exchange VPL in the global community?
