

Introduction

Association of national RPL-Networks and institutions in the EHEA working on RPL

Founding Partners:

AQ Austria, HRK (Germany), THEA (Ireland), RANNIS (Iceland), UHR (Sweden), MZO (Croatia), GU (Sweden), EUA, EURASHE, ENQA

Goals

- Enhance the use of RPL in higher education
- Exchange of experience on the implementation of RPL
- Support the establishment of national RPL networks
- Common voice on RPL topics

Benefits of ERPL Network

- Exchange of experience and expertise with RPL-professionals on a European level
- Gain a global perspective through transnational engagement
- Empower network members to have a direct impact on RPL-enhancement on local level
- Support in establishing, maintaining and fostering sustainable national networks in a European context
- Access to experts and advice on the implementation of RPL procedures and RPL-related topics
- Peer learning opportunities, such as international staff visits
- The success of an active ERPL network is build on shared responsibility and reciprocity

Committees & Working Groups

- Permanent Committees: Coordinating, Policy, Peer Learning & PR
- Thematic Working groups: Access to Higher Education, Support to National Networks
